

Analyzing Speeches Assignment

For this assignment, students will analyze a speech. Students will perform Internet research to find a speech delivered by a politician, celebrity, or author. Students will then analyze the general components of the speech. Each question is worth 10 points, for a total of 100 points.

Fill out the form below:

1. Location of the Speech (Give the URL of the website where it was found.)?
2. Person giving the speech?
3. Date of the speech?
4. Reason for the speech?
5. Who was the audience?
6. Importance of the speech?
7. Three things mentioned in the introduction/opening?

8. Three things mentioned in the body?

9. Three things mentioned in the conclusion?

10. Was this an effective speech? Why/Why not? Give your thoughts.
