Bible 1

Course Description: Students will read through one quarter of the Bible, thoughtfully responding to the reading by answering questions and seeking applications to their lives.

If you want to do this for credit, it would be a 1 credit course. Just print off a [180 day checklist](#) and check off each day that was completed to satisfaction. Base your grade on how many check marks you have at the end of the year. (#check marks/180)

You will be reading through the entire Bible over 4 years, well, school years, 180 days at a time.

You will read the day's section and then write your response in a journal.

You can use a notebook, a word processing program, or an [online journal](#).

Here are two different guidelines for responding to your reading.

1. [questions](#)
2. [SPECS and SOAP](#)

Choose one as a guideline and make sure each day you are writing down the reference for what you read and following the journaling instructions.

These links are to the New King James Version. If you want to read a different version, just use the link and choose your version from the drop down menu above the reading.

If you'd like to listen, here's a NKJV [audio Bible](#). Click on Bible index.

Day 44

Exodus 25-26

Does it seem really hard some days to answer questions or make applications about your reading? I know it can be. Pray before each day's reading and ask God to show you something. Asking your own questions can help. Today, why does God have specific instructions in there on how to build the temple? So more than one could be built from these instructions? because there is significance in each thing that can be meaningful to us today? to show He cares about the details of our lives? I used to wonder, why are all the colors listed, then I heard a woman talk about how much that meant to her as an artist. On the other hand, she didn't understand why all the numbers, the measurements were

there, but to me that was fascinating, as a math person. What does it mean to you (for you) that God's place in the Most Holy place is called the "mercy seat?"
