

Try to answer the questions below which correspond to the videos under the topic "Lectura y Escuchar."
This is a great self-assessment to determine how well you understood the native speakers!

1. Which native speaker bought many of the duty-free items on his/her first flight?
2. Which one seemed enthralled with the beauty of the view from the plane?
3. There is a native speaker who has relatives in Italy? Which one is it?
4. Whose first experience was in a small plane?
5. Which speaker wound up traveling by train as well as by air?
6. Who was nearly 20 on his/her first flight? Was this a smooth plane ride?
7. Which vocabulary words do you recognize in the "Simplified Example"? Could you list them orally if necessary?
8. Which person had a good deal of turbulence during the flight?
9. Is there another person who also felt uncomfortable with turbulence?
10. Which person was traveling with a sister?
